Policy

1. When to Report

Protected Disclosures are to be made whenever an Employee becomes aware of a Reportable Matter. The Protected Disclosure should be made promptly as soon as he/ she becomes aware of the Reportable Matter. Protected Disclosure should be made pursuant to the reporting mechanism described below.

2. Role of a Whistle-Blower

The role of a Whistle-blower is limited to making a Protected Disclosure. A Whistle-blower should not engage in investigations concerning a Reportable Matter that is the subject of a Protected Disclosure. Neither should a Whistle-blower become involved in determining the appropriate corrective action that might follow from the submission of a Protected Disclosure.

3. Reporting Mechanism

The Company has established an Ethics Committee to process and investigate, report, recommend and implement actions on Protected Disclosures in collaboration with Brookfield Internal Audit team. Ethics committee operates under the supervision of Audit Committee and will report all matters on a quarterly basis or at the discretion of Audit committee.

Composition of the Ethics Committee will be determined by the Audit Committee from time to time.

The Ethics Committee is currently constituted by:

- Risk Manager from Brookfield Asset Management designated as “independent member”.
- Managing Director and Chief Executive Officer, Head - Risk and Compliance and Head – HR from Pipeline Infrastructure Limited designated as “internal members”

Employees should report violations of the Code to their supervisor, since their supervisor is generally in the best position to resolve the issue. Alternatively, you may contact the company’s Head - Risk and Compliance to report potential Code violations, or if you have any specific or general questions.

In the event you do not want to report violations to your supervisor or Head – Risk and Compliance, you can always make a report through the Company’s reporting hotline (anonymously if they so choose) telephonically or through dedicated website

In case the protected disclosure is regarding any of the Ethics Committee members, Protected Disclosures may directly be sent to the Chairman of the Audit Committee by letter marked “Private and Confidential”, and delivered to:

**The Chairman of the Audit Committee,
Pipeline Infrastructure Limited**

Unit 1, 4th Floor, Godrej BKC, Bandra Kurla Complex, Mumbai, Maharashtra - 400051, India.

**The Chairman of the Board,
Pipeline Management Services Private Limited,**

Unit 1, 4th Floor, Godrej BKC, Bandra Kurla Complex, Mumbai, Maharashtra - 400051, India.

Where a Protected Disclosure concerns any members of the Audit Committee, the independent members of the Ethics committee will revert to the Chairman of the Board of Directors.

External vendor will share details of complaint with a list of designated recipients including select members of the Ethics Committee who will then share the details with the larger committee or Brookfield Internal Audit to process and investigate the Protected Disclosures (unless complaint prima facie indicates involvement of non-independent members of the committee, in which case it will be reported to Audit Committee directly).

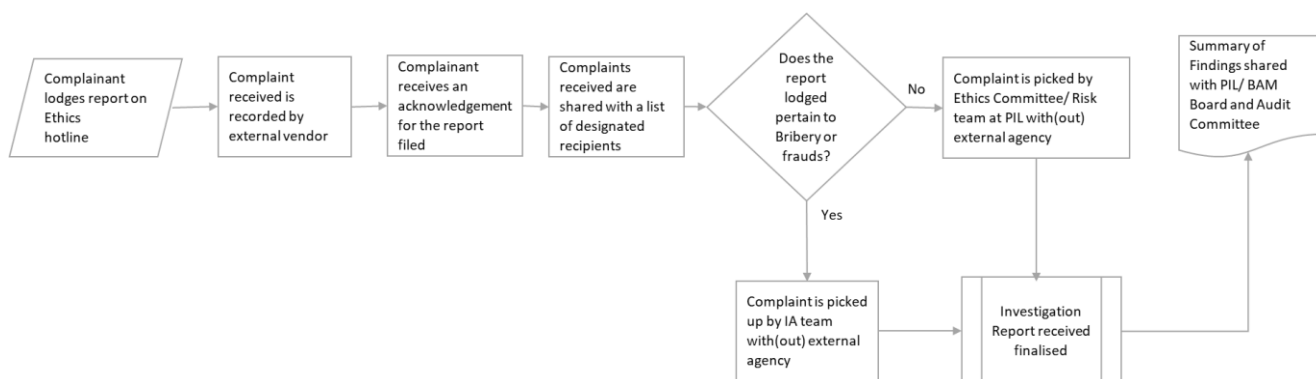

To enable the proper investigation of any Reportable Matter, a Protected Disclosure should include as much information as possible concerning the Reportable Matter. To the extent possible, the following information should be provided:

- Date of occurrence and nature of the Reportable Matter (for example, if the Reportable Matter concerns an alleged violation of the Code of Business Conduct and Ethics, please refer to the provision of the Code of Business Conduct and Ethics that is alleged to have been violated);
- Name of the Employee(s) to whom the Reportable Matter relates to
- Relevant factual background concerning the Reportable Matter (for example, if the Reportable Matter concerns a violation of the Code of Business Conduct and Ethics, please include information about the circumstances and timing of the violation)
- Supporting artefacts in relation to the Protected Disclosure (for example, where knowledge of the alleged violation is based upon certain documents in the Whistle-blower’s possession or control, please provide a copy thereof).

To enable further investigation of Reportable Matters, Whistle-blowers are strongly encouraged to provide their name and contact details whenever they make a Protected Disclosure under this Policy. If a Whistle-blower does not provide his or her name and contact details when making a Protected Disclosure, the Company’s ability to investigate the subject-matter of the Protected Disclosure may be limited by its inability to contact the Whistle-blower to obtain further information.

All Protected Disclosures are taken seriously and will be promptly investigated by the Company. Ethics Committee will submit a report to the Board of Directors on a quarterly basis with details of number of complaints received, resolved and still pending and any other material fact as the committee may find appropriate regarding the disclosures made.

Broad process flow of reporting mechanism is summarized below:

Note: In case of PMSPL, the Ethics Committee will submit the aforesaid report to the Board of Directors.

The Ethics Committee shall promptly inform the Company Secretary (designated as Compliance Officer for the purpose of SEBI PIT Regulations), of leak of UPSI reported by Employees, initiation of inquiries and results of such inquiries, for further reporting to SEBI, as per the Code of Conduct for Prohibition of Insider Trading and SEBI PIT Regulations.
